Working Bees will be scheduled.

5. New Business

Partnership with Scout Group

There was no rep in attendance to discuss further.

6. Around the Grounds: President's Report

President's Report – Traralgon Pony Club 2025/26

As another successful year comes to a close, I would like to thank all of our members, families, instructors, volunteers, and committee members for their ongoing support of the Traralgon Pony Club.

While our membership numbers have been lower this year, it has been pleasing to see the continued enthusiasm and commitment from our members. We have maintained high-quality rallies with excellent instructors, ensuring our riders continue to develop their skills in a supportive and enjoyable environment.

The end of June 2025 saw us successfully host our Dressage Jackpot competition, providing riders with a great opportunity to gain experience and confidence in the competition arena. Throughout the year, we have also run several Freshman's Show Jumping days, which have been a fantastic way for newer riders to develop their skills and enjoy competition in a supportive environment.

One of the highlights of the year was our successful Stockman's Challenge held in April 2026. The event was well supported and showcased the versatility, horsemanship, and determination of our riders. Thank you to

everyone who contributed to making the event such a success, with a special Thank you going out to Whitney and Jarrod for leading this event.

Our Christmas Rally was another memorable occasion, with riders and ponies dressed in festive costumes and a special visit from Santa and the Traralgon East Fire Brigade bringing plenty of smiles and Christmas cheer. These special rallies help create lasting memories and strengthen the sense of community within our club.

We have enjoyed building connections within our local community this year. Recently, we joined forces with the Scouts, who generously assisted with clean-up work around the grounds, helping their kids earn some badges. We also held a joint rally with Boolarra Pony Club, providing riders with a wonderful opportunity to meet new friends, learn from one another, enjoying a different environment.

Throughout the year, our members have represented Traralgon Pony Club across a wide range of disciplines, competing at local, regional, and state events. It is always wonderful to see our riders pursuing their goals, developing their skills, and most importantly, enjoying their chosen sport.

A special congratulations must go to Phoebe Cavill for representing Traralgon Pony Club and East Gippsland Zone at the State Dressage Championships in Warrnambool. Phoebe rode two beautiful Grade 2 tests, placing 9th and 2nd in strong classes and finishing an impressive 5th overall. We are incredibly proud of her achievements and the way she represented our club.

It has also been wonderful to see Inika and Savannah start to get out and about competing, looking cute in their TPC uniforms and bringing home ribbons. Layla Young has been busy competing in the show ring and at dressage competitions, continuing to place well, winning champions and some rugs for her pony Prince Harry. With Willow Orchard starting to get out and compete, she has a bright future with this superstar dressage pony of hers.

One of the things I have particularly enjoyed seeing this year is the way our older and younger members interact at rallies. The encouragement, support, and friendships being built across age groups demonstrate the positive culture within our club and reflect the values of Pony Club. It is wonderful to see our riders cheering each other on, sharing knowledge, and creating a welcoming environment for everyone.

Our May Rally provided an opportunity to highlight the important message of Dolly's Dream, promoting kindness and raising awareness about bullying. A

special thank you to Willow's family for the delicious cupcakes, which were enjoyed by members and helped make the day a memorable one. It was wonderful to see our club come together to support such an important cause while reinforcing the values of respect, inclusion, and friendship that are at the heart of Pony Club.

I would also like to acknowledge the families who have stepped up to assist throughout the year, particularly with running the canteen and helping at events and rallies. Pony Club relies on volunteers, and we are fortunate to have a dedicated and supportive community.

Looking ahead, we are excited that our new webpage is ready to launch, providing another way to keep members informed and showcase everything our club has to offer. We are also looking forward to hosting our next Dressage Competition in August 2026 and hope to see another strong turnout of competitors and supporters.

Thank you once again to everyone who has contributed to the success of Traralgon Pony Club this year. It is rewarding to see our members having fun, building confidence, and enjoying their horses and ponies. I look forward to another great year ahead.

Jacinta Young
